Coverage for: Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-618-2879. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call 800-618-2879 to request a copy.

| Important Questions                                                         | Answers                                                                                                                                                                                                                                                                                                                                                               | Why This Matters:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-----------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What is the overall deductible?                                             | <b>\$200</b> /individual; <b>\$400</b> /family.                                                                                                                                                                                                                                                                                                                       | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of the <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . For example, once two family members meet their own individual <u>deductibles</u> , the family <u>deductible</u> is met for all family members.          |
| Are there services covered before you meet your deductible?                 | Yes. <u>In-network preventive care</u> , vision services and dental care are covered before you meet your <u>deductible</u> .                                                                                                                                                                                                                                         | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a>                                               |
| Are there other deductibles for specific services?                          | No.                                                                                                                                                                                                                                                                                                                                                                   | You don't have to meet <u>deductibles</u> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | Medical: \$4,000/individual; \$8,000/family.  Prescription drugs: \$1,600/individual;  \$3,200/family.                                                                                                                                                                                                                                                                | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                                                                                                    |
| What is not included in the <u>out-of-pocket limit</u> ?                    | Premiums, balance-billing charges, health care this plan does not cover, dental services under Delta Dental plan, and vision for individuals over 19.                                                                                                                                                                                                                 | Even though you pay these expenses, they don't count toward the out-of-pocket limit.                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Will you pay less if you use a <u>network provider</u> ?                    | Yes. See <a href="www.carefirst.com">www.carefirst.com</a> or call 800-235-5160 for a list of <a href="in-network">in-network</a> providers in Maryland, D.C. or northern Virginia. See <a href="www.medcost.com/medcost-virginia">www.medcost.com/medcost-virginia</a> or call 804-320-3837 for a list of <a href="in-network">in-network</a> providers in Virginia. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                  | No.                                                                                                                                                                                                                                                                                                                                                                   | You can see the specialist you choose without a referral.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

| Common                                                 | Services You May                                 | What Yo                                                                                                                         | u Will Pay                                                                    | Limitations, Exceptions, & Other Important                                                                                                                              |

Your Rights to Continue Coverage: There are agencies that can help if you want to continue your coverage after it ends. The contact information for those agencies is: the Department of Labor's Employee Benefits Security Administration at 866-444-EBSA (3272) or <a href="www.dol.gov/ebsa/healthreform">www.dol.gov/ebsa/healthreform</a>. Other coverage options may be available to you too, including buying individual insurance coverage through the <a href="Health Insurance">Health Insurance</a> <a href="Marketplace">Marketplace</a>. For more information about the <a href="Marketplace">Marketplace</a>, visit <a href="www.HealthCare.gov">www.HealthCare.gov</a> or call 800-318-2596.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your plan for a denial of a claim. This complaint is called a grievance or appeal. For more information about your rights, look at the explanation of benefits you will receive for that medical claim. Your plan documents also provide complete information on how to submit a claim, appeal, or a grievance for any reason to your plan. For more information about your rights, this notice, or assistance, call 800-618-2879. You may also contact the Department of Labor's Employee Benefits Security Administration at 866-444-EBSA (3272) or www.dol.gov/ebsa/healthreform. Additionally, a consumer assistance program can help you file your appeal. Contact: Maryland Office of the Attorney General, Health Education and Advocacy Unit at 877-261-8807 or visit <a href="http://www.oag.state.md.us/Consumer.HEAU.htm">http://www.oag.state.md.us/Consumer.HEAU.htm</a> or email <a href="health-eau@oag.state.md.us">heau@oag.state.md.us</a>.

#### Does this plan provide Minimum Essential Coverage? Yes

Minimum Essential Coverage generally includes plans, health insurance available through the Marketplace or other individual market policies, Medicare, Medicaid, CHIP, TRICARE, and certain other coverage. If you are eligible for certain types of Minimum Essential Coverage, you may not be eligible for the premium tax credit.

#### Does this plan meet the Minimum Value Standards? Yes

If your plan doesn't meet the Minimum Value Standards, you may be eligible for a premium tax credit to help you pay for a plan through the Marketplace.

### **Language Access Services:**

Spanish (Español): Para obtener asistencia en Español, llame al 800-618-2879.

To see examples of how this plan might cover costs for a sample medical situation, see the next section.

#### **About these Coverage Examples:**

**This is not a cost estimator.** Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.

## Peg is Having a Baby

(9 months of <u>in-network</u> pre-natal care and a hospital delivery)

| ■ The <u>plan's</u> overall <u>deductible</u> | \$400 |
